

# El Pinto®

Always Fresh & Prepared Daily

Sunday Brunch showcases our Pasture Raised Eggs collected daily from El Pinto's Hen Hotel, an Animal Welfare Approved program on property. El Pinto's Happy Hens are fed organically. Our laying Hens are the first and only AWA approved program on restaurant property in the nation.

### The Hen Hotel at El Pinto

El Pinto provides accomodation to over 240 hens on 20,000 sq. feet of pasture behind the restaurant. These pasture raised happy hens provide nutritious eggs daily for entrées served at El Pinto. They eat naturally off the land and are supplemented with organic food. The laying hen program is inspected by Animal Welfare Approved (AWA), an independent agency with the most rigorous standards for animal welfare in the U.S. El Pinto has the first and only AWA approved laying hen program on restaurant property.

All El Pinto Red and Green Chile is Vegan. \*Consuming raw or undercooked meats, poultry, seafood, or eggs may increase your risk of foodborne illness.
